

“Your Tryst with the world of creativity begins here”

About us

AAFT –a venture of Marwah Studio, under the visionary leader, Mr. Sandeep Marwah, has been Asia’s first film school providing Media and Arts Education for more than 27 years now.

The group has ventured into Ed-Tech domain by launching AAFT Online envisions a single platform for skilling and promoting creative talent across the globe. AAFT online aims at building a consortium of the like-minded creative professionals by facilitating and promoting creative art skills across the world by sourcing, engaging and collaborating via a technologically assisted eLearning platform. We are on a mission to create a pool of market-ready creative talents in creative skills arts. An integrated e-Learning platform exhaustively covering the national, international and multilingual programs in creative arts skills, intending to make it accessible, affordable and inclusive to every creative person present anytime, anywhere. AAFT Online a world-class Ed-Tech platform to promote, share and collaborate with creative people. It’s a common platform for learners and facilitators of creative talent.
